

Introduce us to your bike and your plans.

We will be happy to send you an individual offer for retrofitting your bike. To do this, we need photos of your bike and some information about your usage behavior. Mark your answers by clicking on the boxes or enter the corresponding values. When you are finished, save this PDF document and send it back to us by email with the pictures of your bike attached to info@ebike-solutions.com.

Please refer to the sample photos for orientation:

1. general view from left

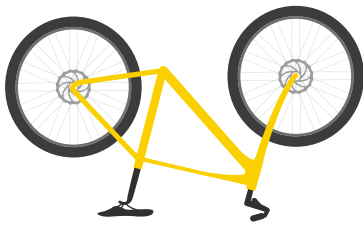

2. general view from right

3. handlebar view from above

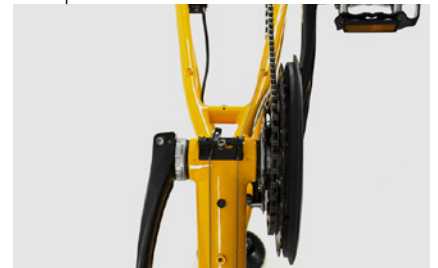

4. flip bike upside down

5. tire with sizes

6. top view bottom bracket

7. bottom bracket from the side

8. dropout without wheel

9. dropout fork

⚠ Size of the images in total maximum 30 MB

What is your preferred terrain?

- flat areas
 hilly areas
 mountainous areas
 alpine areas
 load transport
 trails

Do you want to do the conversion yourself or should we offer the conversion at our facility?

- Sure, I'll do the conversion myself.
 For God's sake! Please do this for me.
 I am not sure yet. Help me figure out if I can do this myself.

What is your desired range? km

How many sprockets / ring gears do you have on the rear wheel? sprockets

How many teeth has the smallest or only chainring in front? 22 24 - 26 more than 26

Thank you for your information. We will get back to you soon with an offer.
